AUBURN UNIVERSITY SALARY DATA

August 2013-May 2014 Graduates

The salary data presented in this report was compiled from a graduation survey which was distributed via email to August 2013, December 2013 and May 2014 graduates of Auburn University. All averages are based on full-time job offers and exclude military service, graduate assistantships and other part-time employment. All data are self-reported and only represent bachelor's degrees. Instances where less than three offers were reported are indicated as such.

ALL BACHELOR'S DEGREES | SALARY RANGES BY COLLEGE OR SCHOOL
