Career Development Services (CDS) at Auburn University is committed to providing privacy of personal information for our clients.

Job/internship listings, on-campus interviewing, and career fair registration services are provided through Tiger Recruiting Link (TRL), which is the CDS online system. CDS partners to provide these services through NACELink. NACELink is an alliance of the National Association of Colleges and Employers (NACE), a nonprofit professional organization for career centers and employers; the Direct Employers Association, a nonprofit association of national employers; and Symplicity Corporation, a state-of-the-art technology provider of web-based tools and software solutions. For details on their privacy practices, please review the NACELink Privacy Policy (http://www.nacelink.com/nl_privacy_policy.php) and the Direct Employers Privacy Policy (<http://www.directemployers.org/privacy/>). All privacy policies for our partners have been reviewed by Career Development Services.

Jobs and internships posted on the TRL system may or may not be reviewed before posting. Site users are urged to validate job postings and use caution and common sense when applying. Do not disclose social security numbers, credit card information, or bank account numbers to unknown employers. Although CDS maintains ownership of all student profile data and resumés in TRL, resumés and profiles of students and alumni participating in any of these services reside on the NACELink servers.

Student and employer information from TRL/NACELink may be used to construct aggregate reports that assist CDS in program planning for statistical reports or to inform clients of services and programs that may be of interest. This information may also be used to troubleshoot problems and is accessible only to CDS staff. Any information shared with parties outside of CDS is shared only in aggregate form.
